BLAZING PRODUCTS BY TOM KING

Professional Grade Pipe-Pulling Grips

Grips for Polyethylene and PVC Pipe

Outperforms braided-cable grips.

And outlasts them many times over.
Don't waste time wearing out inferior grips.
Grips the inside and outside of pipe.

Attaches quickly and securely.
Fast on, fast off. No dirt in the pipe.
No wasted pipe, no duct tape.
No worn braided-cable strands to cut hands.

Replacement parts readily available.
Lasts for years.

See *Blazing Grips™ specifications sheet* or
contact factory for exact O.D. / I.D. pipe sizing.
